But that didn't stop them. They found an old, beat-up AMC Pacer and decided to make it their race car. They named it "The Bugout" and set off on their adventure.

The Bugout was a long shot to win the Cannonball Run. It was slow, unreliable, and constantly breaking down. But the friends didn't give up. They kept driving, even when it seemed like there was no hope.

Against all odds, the Bugout crossed the finish line in first place. The friends had won the Cannonball Run.

Bugout is the incredible true story of how a group of friends turned a beat-up old car into a Cannonball Run champion. It's a story of friendship, adventure, and the American dream.
