From the moment I started reading *Hunting Eagles*, I was hooked. Delores Phillips has a gift for storytelling, and she transports the reader to the remote wilderness of Alaska with vivid descriptions and unforgettable characters.

The novel follows the journey of Anya, a young woman who travels to Alaska to learn the ancient art of falconry. She is drawn to the beauty and power of the golden eagles, and she is determined to learn how to hunt with them.

Anya's journey is not an easy one. She must overcome her fears, learn to trust the eagles, and adapt to the harsh conditions of the wilderness. But with the help of her mentor, a wise old falconer named Silas, Anya begins to make progress.

As Anya's skills improve, she begins to form an unbreakable bond with her eagle, Shadow. Together, they hunt for food, explore the wilderness, and face the challenges of the Alaskan frontier.

Hunting Eagles is more than just a novel about falconry. It is a story about the power of human connection, the beauty of the natural world, and the

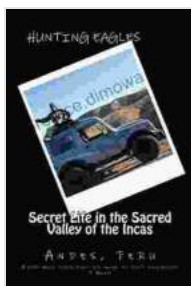

importance of following your dreams.

I highly recommend Hunting Eagles to anyone who loves adventure, nature, and the power of human connection. It is a truly unforgettable novel that will stay with you long after you finish reading it.
