Les Désirable: It's Not Fair Middle School is a coming-of-age story about a group of middle schoolers who are trying to find their place in the world. The book follows the four main characters, Lily, Maya, Sam, and Ethan, as they navigate the ups and downs of middle school life.

Maya is a shy and introverted girl who loves to read and write. She's often bullied by the popular kids, but she finds solace in her friends and her writing. Maya is a dreamer and she believes that someday she'll find her place in the world.

Sam is a kind and caring boy who is always there for his friends. He's not the most popular kid in school, but he's well-liked by everyone. Sam is a natural leader and he always tries to do the right thing.

Ethan is a funny and outgoing boy who loves to make people laugh. He's the class clown, but he's also a good friend. Ethan is always there to cheer

up his friends and he always knows how to make them smile.
