Joe Duce's *The Rig* is a gripping thriller that will keep you on the edge of your seat from beginning to end. The story follows a group of oil workers who are stranded on a remote North Sea oil rig after a catastrophic storm. As they struggle to survive, they must also face the threat of a mysterious creature that is lurking in the depths of the ocean.

Duce's writing is sharp and suspenseful, and he does an excellent job of creating a sense of claustrophobia and isolation. The characters are well-developed and relatable, and you'll find yourself rooting for them as they fight for their lives. The plot is full of twists and turns, and you'll never be sure what's going to happen next.
