Are you an aspiring educator eager to embark on a fulfilling teaching career in Texas? The TEXES Pedagogy & Professional Responsibilities EC-12 (160) certification exam is a crucial step to obtaining your teaching license and igniting your journey towards educational excellence. Our comprehensive study guide is meticulously designed to guide you towards success on the exam and equip you with the knowledge, skills, and confidence you need to excel as an exceptional educator.

## TEXES Pedagogy & Professional Responsibilities EC-12 (160) Exam Overview

The TEXES Pedagogy & Professional Responsibilities EC-12 (160) exam comprises 100 multiple-choice questions that cover four fundamental domains:

1. **Planning and Instruction:** This domain focuses on effective lesson planning, instructional strategies, and differentiated instruction to meet the needs of diverse learners.
2. **Classroom Environment:** This domain examines strategies for creating a positive and respectful classroom environment, including classroom management, student engagement, and diversity and equity.
3. **Assessment:** This domain assesses your knowledge of assessment principles and practices, data analysis for instructional decision-making, and the effective use of assessment to inform teaching.
4. **Professional Roles and Responsibilities:** This domain covers ethical guidelines for educators, professional development, collaboration, and legal responsibilities in the teaching profession.

The exam duration is 5 hours, and a passing score of 240 is required to earn your certification.
