In this extraordinary novel, we follow the compelling story of Dr. Amelia Reyes, a brilliant astrophysicist who is haunted by a tragedy that occurred seven seconds in the past. Driven by an unyielding desire to understand the events that led to her father's untimely death, Amelia embarks on a perilous quest to manipulate time.

A Puzzle Wrapped in Layers of Suspense

As Amelia delves deeper into her investigation, she discovers a clandestine organization known as the Chronos Corporation, a shadowy group that possesses the ability to control time. With each step she takes, the line between the past and the present blurs, and Amelia finds herself trapped in a web of deception and danger.

Through a series of heart-pounding twists and turns, Wooster masterfully weaves a complex and intricate plot that keeps readers guessing until the very end. The novel's pacing is impeccable, building tension with each passing page and leaving readers desperate to uncover the truth.

Unforgettable Characters that Leap off the Page

At the heart of 'Seven Second Delay' lies a cast of unforgettable characters who drive the narrative forward. Amelia Reyes is a relatable and driven protagonist whose determination and resilience will inspire readers to root for her every step of the way.

Alongside Amelia, we encounter a diverse group of allies and adversaries, each with their own motivations and secrets. From the enigmatic Dr. Julian Hawthorne to the cunning Agent James Carter, Wooster has created a cast of characters that will stay with readers long after they finish the book.

Thought-Provoking Themes that Resonate

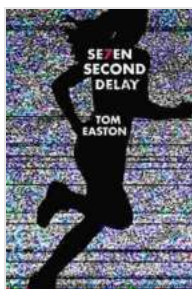

Beyond its thrilling plot and compelling characters, 'Seven Second Delay' explores thought-provoking themes that will challenge readers to confront their own beliefs and values. The novel raises questions about the nature of time, the power of memory, and the consequences of our choices.

Wooster deftly weaves these themes into the narrative, sparking readers to contemplate their own mortality, the fragility of relationships, and the responsibility that comes with the ability to alter the past.
