Landon is excited to take his first ride on the subway. He has heard stories about the subway from his friends, and he can't wait to see what it's like. When he finally gets to the subway station, he is amazed by the size and the noise. He has never seen so many people in one place before. Landon gets on the subway and finds a seat. He looks around and sees people from all walks of life. There are people of all ages, races, and religions. Landon is fascinated by the diversity of the people on the subway. He realizes that the subway is a place where people from all over the city come together.

As the subway train travels through the city, Landon looks out the window and sees all the different neighborhoods. He sees tall buildings, small houses, and everything in between. He sees people walking, biking, and driving. Landon is amazed by the vibrancy of the city. He realizes that there is so much to see and do in his city.

Landon's subway ride comes to an end, and he gets off the train. He is sad to leave the subway, but he is also excited to tell his friends all about his adventure. Landon knows that he will never forget his first ride on the subway. It was a day that changed his life.

Landon Rides the Subway is a heartwarming tale of adventure and selfdiscovery. The book is perfect for children ages 4-8 and is a great way to introduce them to the wonders of public transportation. The book is also a celebration of diversity and the power of human connection.
